

**Addendum to Request for Proposals (RFP)
Provision of Cardiac Monitors and Mechanical CPR Devices
Delaware County Emergency Medical Services**

Date:

This addendum serves as an official modification to the existing Request for Proposals (RFP) for the provision of Cardiac Monitors and Mechanical CPR Devices for Delaware County Emergency Medical Services (DCEMS). Please review the following changes and updates carefully.

Section 2.1 – Revised Proposal Timeline

- **Proposal Due Date:** July 31st, 2025, no later than 4:00 p.m. local time.
- **Estimated Notice of Award:** August 28th, 2025.

Section 2.2 – Submission Process Update

All proposals must be delivered before the stated deadline to the following address:

Delaware County Commissioners’ Office
91 North Sandusky Street
Delaware, Ohio 43015

Late proposals will not be accepted. Offerors are responsible for ensuring their proposals are delivered on time. If a proposal is submitted late, the Offeror must arrange for retrieval. DCEMS assumes no responsibility for late or misdirected submissions due to Offeror or carrier errors.

Each Offeror must submit:

- One (1) completed and signed original proposal
- Five (5) copies of the proposal

Proposals will be publicly opened in a manner that ensures confidentiality of contents. Only the names of Offerors will be read aloud.

All proposals must be submitted in a sealed, opaque envelope or box labeled:

“Proposal Enclosed for RFP – EMS Monitor and CPR Devices”

DCEMS reserves the right to reject any or all proposals in whole or in part. Acceptance of a proposal does not constitute an agreement between the Offeror and DCEMS. DCEMS assumes no liability for unaccepted proposals.

Section 4.0 – Offeror’s General Requirements

4.1 Offerors must provide detailed pricing for the purchase of the following equipment:

- Thirteen (13) Cardiac Monitors
- Thirteen (13) Mechanical CPR Devices

4.2 Offerors must include the estimated trade-in value of the following currently owned equipment:

- Thirteen (13) Zoll X Series Cardiac Monitors & Thirteen (13) Auto-Pulse CPR Devices
