Delaware County Approves 2018 Budget

DELAWARE, Ohio — The Delaware County Board of Commissioners today approved their budget for 2018. The \$100,558,453.03 figure approved for General Fund expenditures is a 2.33 percent increase over 2017's budget.

"We're pleased to hold the line on spending," said Board President Jeff Benton. "When you can exercise restraint in good times — and these are good times — it makes it a whole lot easier to manage challenges in bad times."

The 2018 budget includes a 3 percent raise in salaries for non-union employees.
