"Touch a Truck" Returns August 4

DELAWARE, Ohio — Delaware County's Emergency Medical Services team, in partnership with the Berlin Township Fire District, hosts one last "Touch a Truck" event for the summer on Saturday, Aug. 4.

This popular event brings together a variety of emergency, law enforcement, fire and rescue vehicles, as well as service animals, and gives families a chance to climb on board and learn more about the life-saving work that our County's first responders do every day.

The event takes place Saturday, Aug. 4, from 10 a.m. to 2 p.m., at the Berlin Township Fire Station, 2708 Lackey Old State Road, Delaware.

The "Touch a Truck" events are free to attend. For more information, please contact Lt. Glen Keating at 740-833-2190 or gkeating@delcoems.org.
