Trail Applications Being Accepted Now

DELAWARE, Ohio — The Delaware County Trails Committee (DCTC) is accepting funding applications for its 2020-2022 Delaware County Trail Assistance Program now and until Oct. 1, 2020. The DCTC has \$100,000 available for projects related to the creation of new multi-use trails or for the improvement of currently existing trails.

Eligible applicants include local governmental entities, park districts and non-profit organizations. Potential projects can include, but are not limited to, construction of multi-use trails in Delaware County, acquisition of property and easements for multi-use trails, or for maintenance. The grant can also be used for matching funds.

All applicants are encouraged to review the Central Ohio Greenways Design Guidelines for shared-use path development and must follow all ADA compliance guidelines. Applications will be due by Oct. 1, 2020 at 4 p.m.

The Delaware County Trails Committee is a committee appointed by the Delaware County Commissioners, who also authorized the creation of a countywide trail system master plan in 2017. The trail assistance program is a tool to assist local communities and non-profits further the goals of that master plan.
