WHEREAS, the County Administrator and Economic Development Director recommend establishing the Delaware County 2020 Small Business Protection Program, pursuant to Article VIII, Section 13 of the Ohio Constitution and section 307.07(B)(5) of the Revised Code, in order to mitigate the impacts of the COVID-19 public health emergency on economic development within Delaware County; and

WHEREAS, the County Administrator and Economic Development Director recommend the adoption of the Delaware County 2020 Small Business Protection Program Guidelines, Terms and Conditions, and form of Grant Agreement;

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of Delaware County, State of Ohio, that:

Section 1. The Board hereby authorizes the Delaware County 2020 Small Business Protection Program,

pursuant to Article VIII, Section 13 of the Ohio Constitution and section 307.07(B)(5) of the Revised Code, in order to mitigate the impacts of the COVID-19 public health emergency on economic development within Delaware County.

Section 2. The Board hereby approves the following Delaware County 2020 Small Business Protection Program Guidelines, Terms and Conditions, and form of Grant Agreement, and authorizes the Economic Development Director to approve and execute grant agreements in accordance therewith:

Delaware County Small Business Protection Program Guidelines

The Board of Commissioners of Delaware County, Ohio (the "County" or "Board") created the Small Business Protection Program (the "SBPP") to aid businesses within Delaware County continuing to struggle with the impacts of the COVID-19 pandemic. This program focuses on supporting small businesses in specific sectors affected by the state's Stay-at-Home order, as well as, changing business regulations related to social distancing.

2020 has brought with it many unique challenges, especially those caused by the COVID-19 pandemic. These challenges have had a significant impact on the residents, service organizations and businesses that serve our community. Many businesses throughout Delaware County have sustained a disruption in their normal operations which, in turn, has limited their ability to generate profit and revenue necessary to sustain operations.

The County created the Small Business Protection Program given the unique challenges of COVID-19 and to better support the critical needs of our small businesses. The Board has allocated \$2,000,000 of general funds to a small business grant program. The goals for the program are as follows:

1. Create a grant program with awards of up to \$15,000, for eligible for-profit small businesses (corporation, LLC, partnership, joint venture, sole proprietorship) with up to 25 full-time employees and unlimited part-time/contract employees/positions. The criteria would be based on expenses related to COVID-19, such as operating losses from stay-at-home orders and new social distancing requirements. Target Industry Sectors have been determined to be:

Hotels/Motels, Restaurants, Retail, Medical, Technology and Professional Services.

2. Layer the SBPP grant and Revolving Loan Fund together so that they complement each other and do not compete.

Requests for grant assistance must be first initiated by the submission of a grant application (the "Application"). The Application will require, among other items, the submission of certain documents and or information, including but not limited to, a year-to-date financial report, as well as, a 2018/2019 financial report and/or equivalent tax information.

Requests for funding through the SBPP will be granted based on a competitive process and the availability of funds. Submission of an Application is in no way a guarantee of funds being awarded. Any and all grant awards are at the sole discretion of the County.

For-Profit Business Definition

<u>The</u> business must serve as a key income source for an individual and/or be run with the intent to generate a profit. The nine factors outlined by the IRS will be used to assist in the determination (these factors can be viewed here: <a href="https://www.irs.gov/faqs/small-business-self-employed-other-business/income-expenses/incom
