# Facilities: An Essential Tool for Better Service

- We aim to create functional centers.
- We reduce the number and spread of buildings in our portfolio and return them to public tax rolls.
- We co-locate related services to improve efficiency and make it easier for customers.

# 1. Creating Functional Centers

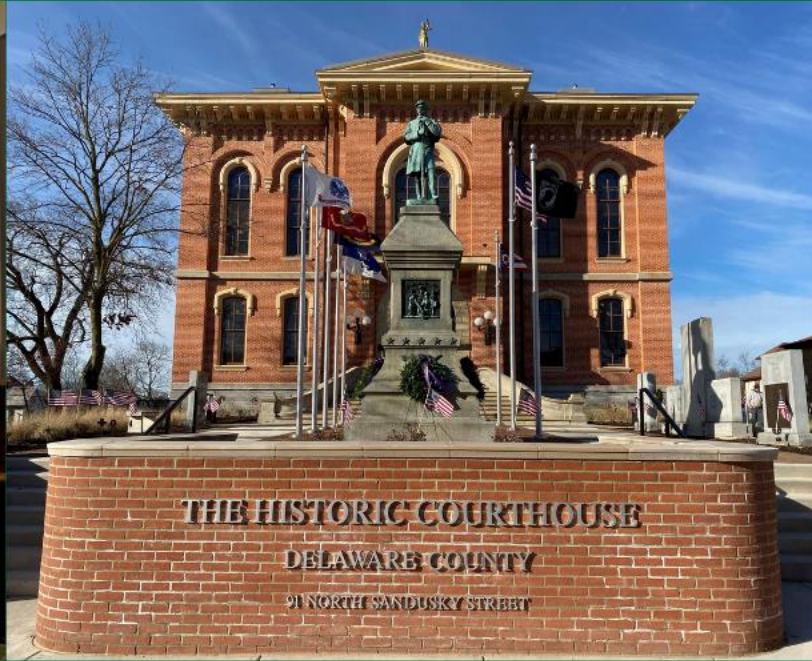

**Hayes Building (2002) - Administrative Center**

# Delaware County Courthouse (2017) – Judicial Center

# Historic Courthouse (2020) - Executive Center

# Carnegie Building (2021) – Public Safety & Legal Support Center

# Willis Building (2021) – Elections & Records Center

## 2. Reducing the Number & Spread of Buildings
