Applications Sought for Community Enhancement Grants Program

DELAWARE, Ohio — The Delaware County Commissioners have announced they are accepting applications from tax-exempt organizations for their 2023 Community Enhancement Grant Program. This annual allocation from the county's general fund has, for the last decade, provided project-specific grants to charitable agencies headquartered and operating within Delaware County.

The program has traditionally provided a total of about \$250,000 each year to a wide variety of agencies. Grants are awarded through a competitive application process and this year funds will be distributed only after invoices for completed projects are submitted for reimbursement.

Applications can be completed and submitted online at: <https://www.surveymonkey.com/r/DelcoCEG2023>. This link also provides information about the program requirements. A hard copy of this application/requirements document can be obtained by emailing a request to: media@co.delaware.oh.us or by calling 740-833-2100.

The deadline for applications is 4:30 p.m. on July 20, 2023.
