2024 Fans for Friends Fan Drive Begins

[Delaware County, OH] – A cooled room serves as a great refuge from the summer’s heat. However, many in Delaware County do not share in that experience. For some, the extreme heat can even be hazardous to their health. Heat is the #1 cause of weather-related illnesses and deaths. That is why the Delaware County Office of Homeland Security and Emergency Management, in collaboration with their partners at People In Need, Inc. of Delaware County, has kicked off its annual fan drive to collect new box fans and distribute them to needy families. Last year, over 175 families were positively impacted by the generosity of donations made to the program. The 2024 Fans For Friends fan drive will commence on June 1st and continue through September 15th or until cooler weather prevails.

Donations will be accepted from 8 a.m. to 7 p.m., seven days a week at the donation stations listed below, unless otherwise indicated. Special thanks to all of the Delaware County fire and EMS stations, and libraries for their partnership and assistance in collection efforts.
