RESOLUTION NO. 00-140

IN THE MATTER OF ACCEPTING MAINTENANCE BONDS FOR LIBERTY LAKES, SECTION 3; WHITETAIL MEADOWS; MEDALLION ESTATES, SECTION 9 AND PLUM ESTATES:

It was moved by Mr. Ward, seconded by Mr. Wuertz to approve the following.

Liberty Lakes, Section 3

The construction of the above referenced project was started without bonding, thereby not allowing the developer to file the plat. They are now at a point where they would like to file the plat. We have, therefore, estimated the remaining construction costs to be \$89,600, and two Letters of Credit totaling that amount are attached to cover the bonding of this project.

Whitetail Meadows

The roadway construction has been completed for the referenced subdivision and, as the results of our recent field review, we have determined that minor remedial work will be required during the 2000 construction season.

In accordance with the Subdivider's Agreement, we recommend that the maintenance bond be set at \$23,415

for the duration of the one year maintenance period. A Letter of Credit in that amount is currently in place.

Medallion Estates, Section 9

The roadway construction has been completed for the referenced subdivision and, as the results of our recent field review, we have determined that minor remedial work will be required during the 2000 construction season.

In accordance with the Subdivider's Agreement, we recommend that the maintenance bond be set at \$45,500 for the duration of the one year maintenance period. An Amendment to the developer's original Letter of Credit for that amount is in place.

Plum Estates

The roadway construction has been completed for the referenced subdivision and, as the results of our recent field review, we have determined that minor remedial work will be required during the 2000 construction season.
