We the undersigned owners of 27.3396 acres in Orange & Genoa Township, Delaware County, Ohio propose to create a subdivision known as the Highland Hills at the Lakes, Section 3, Phases 1 & 2 as evidenced by the subdivision plant (Exhibit "A" which is available at the County Engineer's Office). Drainage improvements related to this subdivision have been constructed (or are bonded and will be constructed within a period of one year as evidenced by the Subdivider's agreement Exhibit "B" available at the County Engineer's Office). In accordance with Section 6137 of the Ohio Revised Code, we (I) hereby request that the improvements delineated on Exhibit "C" (available at the County Engineer's Office), be accepted as part of the County Ditch Maintenance Program and that an annual maintenance assessment be collected with the Real Estate Taxes for each lot in the subject subdivision to cover the cost of current and future maintenance of the improvements.

We (I) hereby waive our rights to a public viewing and hearing and ask that your board approve this action in conjunction with the approval of Highland Hills at the Lakes, Section 3, Phases 1 & 2 subdivision.

I understand that the basis for calculating the maintenance assessment will be reviewed and possibly revised every 6 years. The first year's assessment for all of the lots in the amount of \$822.60 has been paid to Delaware County.

Easements to provide for the maintenance of the improvements have been provided on the plat.

In accordance with Section 6137 of the Ohio Revised Code, we (I) hereby request that the improvements delineated on Exhibit "C" (available at the County Engineer's Office), be accepted as part of the County Ditch Maintenance Program and that an annual maintenance assessment be collected with the Real Estate Taxes for each lot in the subject subdivision to cover the cost of current and future maintenance of the improvements.

We (I) represent 100% of the property owners to be assessed for maintenance related to this drainage improvement.

We (I) hereby waive our rights to a public viewing and hearing and ask that your board approve this action in conjunction with the approval of Harvest Wind, Phase 7, Section 1 subdivision.

The cost of the drainage improvements is \$203,682.00 and a detailed cost estimate is available at the County Engineer's office in Exhibit "D". The drainage improvements are being constructed for the benefit of the lots being created in this subdivision. Thirty-four lots are created in this plat and each lot receives an equal share of the benefit (cost) of the project. The basis for calculating the assessment for each lot is therefore, \$5,990.65 per lot. An annual maintenance fee equal to 2% of this basis \$119.81 will be collected for each lot. I understand that the basis for calculating the maintenance assessment will be reviewed and possibly revised every 6 years. Utility user charges shall be paid by the **SUBDIVIDER** and maintained in continuous use throughout the construction and testing phases until accepted for operation and maintenance by the **County**.

Should the **SUBDIVIDER** become unable to carry out the provisions of this **AGREEMENT**, the **SUBDIVIDER'S** heirs, successors or assigns shall complete and comply with all applicable terms, conditions, provisions and requirements of this **AGREEMENT**.

In consideration whereof, the **BOARD OF COUNTY COMMISSIONERS OF DELAWARE COUNTY, OHIO** hereby grants the **SUBDIVIDER** or his agent the right and privilege to make the improvements stipulated herein.
