RESOLUTION NO. 03-890

IN THE MATTER OF AUTHORIZING A REQUEST THAT ODOT ENACT A SPEED LIMIT REVISION ON HYATTS ROAD WITHIN THE VILLAGE LIMITS:

It was moved by Mr. Jordan, seconded by Mr. Ward to authorize the speed limit revision request as follows:

**Hyatts Road Speed Limit Request
35 Mile Per Hour Within Village Limits**

As the result of several resident complaints and site visit data collections by the Engineering staff, The County Engineer ask that your Board pass a resolution to lower the speed limit on Hyatts Road within the Hyatts' Village limits. Although data collected and analyzed by the Ohio Department of Transportation's defined procedures does not warrant further reduction, the office staff feels strongly that this situation does not conform to the standard procedures. The Staff feels reduction of the current 50 mps limit to 35 mps within the village is a safe and reasonable speed limit request that ODOT should consider at this location. However, before this speed limit revision can be enacted, a Resolution by your Board must be submitted to the Director of the Ohio Department of Transportation for review and concurrence in accordance with Ohio Revised Code Section 4511.21(I).

Therefore, The County Engineer is recommending that a Resolution be passed by your Board to request the Director of the Ohio Department of Transportation to determine and declare a reasonable and safe prima-facie speed limit for Hyatts Road (CR 123) within the Hyatts' Village limits to 35 mps. Upon receipt of your Resolution, the staff will send it along with the request to the Ohio Department of Transportation for their action.
