Said **OWNER** is to construct, install or otherwise make all public improvements shown and set forth to be done and performed in compliance with the approved engineering drawings and specifications, all of which are a part of this **AGREEMENT**.

**OPTIONS:**

1. Should **OWNER** elect to record the plat prior to beginning construction, **OWNER** shall execute bond, certified check, irrevocable letter of credit, or other approved financial warranties equal to the cost of construction as shown in **Exhibit “A”** attached hereto.
2. Should **OWNER** elect to proceed to construction prior to recording the plat, no approved financial warranties are necessary until such time as **OWNER** elects to record the plat. Such plat cannot be recorded until the County Engineer has determined the construction of the project is at least 80% complete.

The **OWNER** shall indemnify and save harmless **Delaware County and all Townships and/or Villages** within Delaware County and all of their officials, employees or agents from all claims, suits, actions and proceedings which may originate from or on account of any death, injuries or damages to persons or property received or sustained as a consequence of any actions or omissions of any contractor or subcontractor or from any material, including explosives, or any method used in said work or by or on account of any accident caused by negligence or any other act or omission of any contractor or his agents or employees.
