# IN THE MATTER OF APPROVING THE ADDRESS FOR THE MEDALLION CLUB BE ASSIGNED AS 5000 CLUB DRIVE:

It was moved by Mr. Thompson, seconded by Mr. O'Brien to approve the following:

Whereas, the County Engineer recommends the Commissioners approve the address for the Medallion Club Be Assigned As 5000 Club Drive;

Now Therefore Be It Resolved, that the Delaware County Board of Commissioners approve the address for The Medallion Club Be Assigned As 5000 Club Drive.

#### **Medallion Golf Club**

When the Medallion Golf Club was constructed in 1994 the owners of the club arbitrarily began using an address of 5000 Club Drive. This number is in conflict with the number that was assigned by the Map Department of 5600 Club Drive. This address like all others was assigned based on the County house number grid that represents a specific geographic location. The consistency of the assigning numbers based on the grid is important for emergency response agencies in location specific properties.

In recent years, Medallion has requested that the County change their assigned number to conform the 5000 Club Drive address that they have used since their opening. I have previously advised them that if the various emergency response agencies in their area determined that the use of this "non grid" address did not hinder the ability to locate their property in an emergency situation, then I would recommend the change in address to your board.

Available, you will find letters from the Delaware County Sheriff, Genoa Township Fire Department and Genoa Township Police Department addressing this issue. Therefore, I am recommending that the address for the Medallion Club be assigned as 5000 Club Drive.

Upon approval by your board, we will notify the owner and various emergency response agencies accordingly.

Sincerely, Chris Bauserman, P.E., P.S. Delaware County Engineer

However, the parties may execute, acknowledge, and deliver a memorandum of lease complying with the minimum requirements of Section 5301.251 of the Ohio Revised Code, for the purpose of giving public notice of the rights and obligations of the Township and County under this lease which the Township shall thereupon record.
- 19. RENEWAL: This lease will renew without any action by either party for one additional term of fifty (50) years.

#### **RESOLUTION NO. 11-929**

# IN THE MATTER OF COMMISSIONERS FINDING AFFIRMING ORDER AND CONFIRMING THE ASSESSMENTS FOR THE MEADOWS AT HARVEST WIND DRAINAGE IMPROVEMENT PETITION PROJECT:

It was moved by Mr. O'Brien, seconded by Mr. Thompson to approve the following:

Whereas, on September 20, 2010, a Drainage Improvement Petition for The Meadows At Harvest Wind was filed with the Board of Commissioners of Delaware County (the "Board"); and

Whereas, the Board on February 7, 2011 with Resolution 11-131 directed The Delaware County Engineer To Proceed With Preparation Of Plans, Reports, And Schedules For The Meadows At Harvest Wind Drainage Improvement Project, and

Whereas, the Board on Monday the 29<sup>th</sup> day of August 2011, held a final public hearing to determine if the action is necessary, conducive to the public welfare, and the benefits derived exceed the cost incurred for The Meadows At Harvest Wind Drainage Improvement Petition Project; and

Whereas, after hearing testimony from property owners; considering the schedules, plans, and reports filed by the County Engineer; and-considering the cost of location and construction, the compensation for land taken, the effect on land along or in the vicinity of the route of the improvement, the effect on land below the lower terminus of the improvement that may be caused by constructing the improvement, the sufficiency of the outlet, the benefits to the public welfare, and the special benefits to land needing the improvement, the Board is prepared to issue its findings on the proposed improvements.

Therefore, Be It Resolved, by the Board of Commissioners of Delaware County, Ohio as follows:

The Board hereby finds that the proposed improvement (maintenance assessment) is necessary and that it will be conducive to the public welfare. The Board also finds that it is reasonably certain that the cost of the proposed improvement (maintenance assessment) will be less than the benefits. Accordingly, the Board hereby grants the prayer of the petition and approves the maps, profiles, plans, schedules and reports prepared by the Delaware County Engineer, and

This Board finds and determines that all formal actions taken by this Board concerning and relating to the adoption of this Resolution were taken in an open meeting of this Board and that all deliberations of this Board that resulted in said formal actions were in meetings open to the public, in compliance with the laws of the State of Ohio.

FURTHER BE IT RESOLVED, The maintenance fund shall be maintained, as needed, by an assessment levied not more often than once annually upon the benefited owners, as defined in <a href="section 6131.01">section 6131.01</a> of the Revised Code, apportioned on the basis of the estimated benefits for construction of the improvement. An assessment shall represent such a percentage of the estimated benefits as is estimated by the engineer and found adequate by the board or joint board to effect the purpose of <a href="section 6137.02">section 6137.02</a> of the Revised Code, except that at no time shall a maintenance fund have an unencumbered balance greater than twenty per cent (20%) of all construction costs of the improvement. The minimum assessment shall be two dollars. Any cost incurred from the petition project process will be paid from the annual Drainage Improvement assessments.
